

Why Attend 13 ICG as a Contractor/ Installer?

13th International Conference on Geosynthetics (13 ICG)
13 - 17 September 2026
Montreal

 More Information
www.13icg-montreal.org

1200+
attendees

250+
presentations

7 international
plenaries

5 short course
opportunities

Reduce Risk

 Knowledge of geosynthetics helps avoid costly delays on site

Stay Aligned with Engineering & CQA Consultants

 More informed coordination = fewer conflicts and better outcomes

Discover Smarter Construction Solutions

 Geosynthetics improve durability, reduce maintenance, and optimize performance for roads, embankments, landfills and other areas of infrastructure

Network with Geotechnical Experts and Suppliers

 Build relationships that support your projects or create new business

The IAGI GeoGames

 See the world's best geosynthetic installation contractors compete on construction challenges while networking at an afternoon reception
(Monday, September 14, 2026)

Stay Ahead of Regulations and Safety Standards

 Keep up with evolving geotechnical practices, standards, and needs
