

# Why Attend 13 ICG as an Equipment Supplier?

13th International Conference on Geosynthetics (13 ICG)  
13 - 17 September 2026  
Montreal

1200+  
attendees

250+  
presentations

7 international  
plenaries

5 short course  
opportunities

## Reach High-Value Users

- ✓ Your customers are HERE: engineering firms, installation contractors, manufacturers, CQA professionals, lab leads and more

## Demonstrate Your Tech Leadership

- ✓ Your technologies are essential to the projects showcased at 13 ICG

## Be Proactive

- ✓ The market is changing: Hear from a wide spectrum of public and private representatives and align your business, R&D, and customer support with the field's next phase

## Build Relationships with Decision-Makers

- ✓ Your growth depends on knowing people in all phases of the project chain: specifiers, installation contractors, lab managers, equipment buyers, and other influencers

## The IAGI Games

- ✓ See the world's best geosynthetic installation contractors compete on construction challenges while networking at an afternoon reception (Monday, September 14, 2026)
