

Why Attend 13 ICG as a Manufacturer?

13th International Conference on Geosynthetics (13 ICG)
13 - 17 September 2026
Montreal

1200+
attendees

250+
presentations

7 international
plenaries

5 short course
opportunities

These are Your Customers

The contractors who purchase geosynthetics and the designers / specifiers who utilize them are HERE

Educate the Market

Share your technologies, how they are used, and where the field can take them

Be Proactive

The market is changing: Stay current and align your business with the field's next phase

Build Strategic Partnerships Throughout the Project Chain

Your growth depends on knowing people at all project points: design, specification, manufacture, testing, purchasing, delivery, installation

Share the Industry's Story

Invite your clients to experience the geosynthetics community and better understand why you do what you do and how you do it well
